## ***Eagle Nest Lake State Park Entrance Road Under Construction***

**Eagle Nest, NM** –The village of Eagle Nest is in the process of completing a paving project on Marina Way, the main entrance road to Eagle Nest Lake State Park. A temporary bypass road will be constructed to allow traffic to access Marina Way during construction; however, there may be delays and heavy construction traffic.

In order to allow easier access to the park and alleviate construction hazards, New Mexico State Parks will be opening the Fisherman's Lane access to all traffic for the duration of the construction project. Vehicles may access the park through Fisherman's Lane and avoid construction delays. Construction is expected to be completed before June 30, 2014. Once the construction is complete, Marina Way will once again be the only entrance to Eagle Nest Lake State Park.
