Sugarite Canyon's Lake Maloya Closed to Ice Fishing

Raton, NM – Effective Monday, March 7, 2016, State Parks has closed Lake Maloya to ice fishing and other on-ice activities due to the recent warm weather that has deteriorated the lake's ice conditions.

Lake's Maloya and Alice are both closed for ice fishing and other on-ice activities.

State Parks staff will continue to monitor the ice conditions and keep the public informed about the status through their website. For more information and current updates about the lake's ice conditions, please contact Sugarite Canyon State Park, (575) 445-5607 or visit www.nmparks.com.
