Nature Walk at Rio Grande Nature Center State Park
Explore the Middle Rio Grande Bosque Ecosystem

ALBUQUERQUE, NM –Enjoy and explore the Middle Rio Grande Bosque ecosystem this Saturday, April 8, 2017 from 10:30 a.m. to noon with one of the Rio Grande Nature Center State Park volunteer naturalists. Search for signs of animal life and discover how the Bosque and the Rio Grande provide habitat.

The walk is about 1.5 hours long. The mostly flat, sandy trail is just under one mile. This walk is appropriate for adults and children. Registration is not required. If you would like to bring a group, please contact the park in advance for group registration information. Regular park use fees apply.

For more information, call 505-344-7240 or log on to: www.nmparks.com

Conditions are Right for Adventure at New Mexico State Parks!

The Energy, Minerals and Natural Resources Department provides resource protection and renewable energy resource development services to the public and other state agencies.
