## **Rio Grande Trail Commission to Host Second Virtual Open House**

**Santa Fe, NM** – The Rio Grande Trail Commission will be hosting a second Virtual Open House, an online public engagement event, for the Rio Grande Trail Master Plan beginning September 12-October 5, 2018.

The Virtual Open House will serve as the second major public outreach event of the Rio Grande Trail Master Plan effort.

“This continued process will provide transparency to the master planning process, and spur interest and broad support for the Rio Grande Trail’s development,” said Chairman Ken McQueen.

Visitors can enter the open house at <http://voh.riograndetrailnm.com/> and navigate it at their own pace and based on their own interests. The format is user-friendly and graphically-rich. It is designed to require an average of 5 minutes and no more than 15 minutes of a participant’s time.
