

# Santa Fe Community College's First Green Careers Fair

**Wednesday, March 10, 2010  
10am—2pm, Campus Center  
6401 Richards Ave, Santa Fe, NM**

**PRE-FAIR EVENT: 9am—10am, Jemez Rooms**  
**Keynote Speaker, Carol McClelland,**  
**Founder and Executive Director of Green Career Central,**  
**Author of *Green Careers for Dummies***

**Carol McClelland, PhD**, founder and Executive Director of Green Career Central, has helped thousands of people discover their dream career through her book *Your Dream Career for Dummies* and her work with individuals, groups, and students. Together with her team of experts, researchers and writers, Carol has pulled together eighteen years of experience into a broad collection of how-to articles, resources, support, and teleclasses to help you find your way to make a difference and prosper. Carol's latest book, *Green Careers for Dummies*, will be available in bookstores in late January, 2010.

**Green Career Central™** virtual career center for motivated professionals and students who are ready to find a green career that fully expresses their passions, skills, values, and talents.
