NOTICE FOR FILING

Notice of Filing of a Phase III Bond Release Application in accordance with the requirements of 19.8.14.1412(A)(3) NMAC, of the New Mexico Mining and Minerals Division, Chevron Mining Inc. (Chevron) herewith gives notice of filing of a bond release application for York Canyon Underground Mine Permit #2017-01 located approximately 35 miles west of Raton on 3310 NM Highway 555.

The bond release application, which is designated: ***York Canyon Underground Mine, Phase III Bond Release Application, May 2017***, focuses on Phase III release in lands designated with a post-mine land use of Wildlife and Industrial/Commercial.

In accordance with the previously cited regulation, Chevron states:

1. The Name and address of the applicant is:
Chevron Mining Inc.
6001 Bollinger Canyon Road, C2136
San Ramon, CA 94583

The location of the proposed acreage within the York Canyon Underground Mine Permit #2017-01 is reflected on the Location Map, which is made part of this notice.

2. No. of Acres Affected – York Canyon Underground Mine, Phase III of 331.7 acres.
3. Type and Dates of Reclamation Performed
The York Canyon Underground Mine was backfilled, regraded, topsoiled and seeded from 1979 to 2005.
4. Bond Data

Bond Type	Bond Amount	Date/Permit
Surety Bond (No. 070022103)	\$430,066	12/20/16 York Canyon Underground Permit

Director will determine the amount sought to be released

5. The application is available for public inspection at the office of the Arthur Johnson Memorial Library, located at 224 Cook Avenue, Raton, New Mexico; the office of the Director for the New Mexico Mining and Minerals Division, which is located at 1220 South Saint Francis Drive in Santa Fe, New Mexico; or online at www.NMMines.com.
6. Written comments, objections or requests for informal conferences on the bond release may be made within 30 days of the last publication of this notice to the following named person:
Director, Mining and Minerals Division
www.NMMines.com
1220 South Saint Francis Drive
Santa Fe, NM 87505
