

San Juan Coal Mine Permit Renewal Application 2019-01

Westmoreland San Juan Mining LLC (WSJM) has made an application to the New Mexico Mining and Minerals Division to renew the San Juan Mine permit for a five-year term pursuant to the requirements of 19.8.13.1302-1305 NMAC. The mine permit area is located approximately 16 miles west of Farmington, New Mexico, adjacent to San Juan Generating Station. The Permit Area is within Township 30 North, Range 15 West and Township 29 North, Range 15 West, N.M.P.M., San Juan County, New Mexico. No changes to the permit boundary or operation and reclamation plans are proposed in this renewal.

An electronic copy of the application can be made available upon request. Copies of the application are also available at our offices in Santa Fe and the Farmington Public Library.
