**News Release**

## **Pile Burn Planned for Hyde Memorial State Park Cancelled**

**Santa Fe, NM** – The pile burn planned for Hyde Memorial State Park on Tuesday and Wednesday, March 8-9, 2016 has been cancelled due to unfavorable conditions after an initial test burn.

The treatment is a collaboration between the New Mexico State Forestry Division, the New Mexico State Parks Division, and the U.S. Forest Service's Santa Fe National Forest Espanola Ranger District and will take place at another specified time when conditions are optimum.

State Forestry will announce the planned pile burn when it has been rescheduled.
