Eagle Nest Lake State Park ***Fisherman's Lane Closure***

Eagle Nest, NM – On September 30, 2013, Eagle Nest Lake State Park will permanently close the access point from Fisherman's Lane to incoming traffic. The decision to close the entrance at Fisherman's Lane was thoroughly evaluated during the management planning process for the park. The closure will provide for more efficient park operations. Fisherman's Lane will remain an exit point from the park. Park staff may temporarily reopen the Fisherman's Lane entrance for major special events or emergencies.

The main entrance on Marina Way will stay open for all entry and exit traffic. Park staff can be contacted at (575) 377-1594 for questions about park facilities or any park events.

###

The Energy, Minerals and Natural Resources Department provides resource protection and renewable energy resource development services to the public and other state agencies.
