Bottomless Lakes State Park Main Entrance Re-Opened

Roswell, NM – The main entrance to Bottomless Lakes State Park on Highway 409 is re-opened after flooding forced the road to close over Memorial Day Weekend.

“Initial repairs of the bridge on Highway 409 are complete and the road is now open to traffic,” said Park Superintendent Joe Kasuboski. “Visitors are now able to use the park’s main entrance as well as the entrance through Dexter.”

Bottomless Lakes State Park visitors will enjoy swimming, fishing, camping, wildlife viewing and birding.

State Park officials remind you to always make safety your number one priority—be prepared on the water and always wear your lifejacket! FREE boating safety classes are offered around the state and on-line throughout the year.

Enjoy your New Mexico State Parks today! For more information, call 888—NMPARKS or visit www.nmparks.com .

Conditions are Right for Adventure at New Mexico State Parks!
