Santa Fe, NM – Heron Lake State Park is hosting a fun Halloween event, a Haunted Hayride on Saturday, October 29, 2016. Bring the entire family for a spooky night out!

The Halloween Haunted Hayride at Heron Lake State Park near Chama, NM is an annual event and begins from 6:00 – 9:00 p.m. at Willow Creek Campground. Local Friends of Heron/El Vado, along with the park, have a great evening planned for all ages. The fun includes a campfire, food, fun and games, and the scariest haunted hayride around!

According to Park Manager Anthony Marquez, nearly 300 people enjoyed last year's Halloween Haunted Hayride. "This annual, family-friendly event is catching on," he said. "Everyone comes in costume and has a great time and we look forward to the community participating again this year."
