## Online Reservations Open for Hyde Memorial State Park Lodge

**Santa Fe, NM** – Beginning this month, a new feature has been added to the online reservation system for New Mexico State Parks. Large parties interested in booking the historic lodge at Hyde Memorial State Park can reserve it online and up to six months in advance. In the past, visitors who were interested in booking the historic lodge had to wait in line on January 1<sup>st</sup> to book an event, but reservations can now be made online, reducing hassle and increasing efficiency.

In addition, visitors will be able to book group shelters, community rooms and other special event facilities online. More details will be available soon.

Click [NMParks.com](http://NMParks.com) for reservations up to six months in advance for your favorite park facility or camping spot.
