7th Annual Spring Trout Derby at Oasis State Park This Easter Weekend

Portales, NM – Oasis State Park and the Friends of Oasis State Park will be holding the 7th Annual Spring Trout Derby on Saturday and Sunday, March 26-27, 2016.

“The weather is expected to be beautiful; this will be a great time for families to come out this Easter weekend,” said Park Manager Jim Whary.

Registration opens at 7:30 a.m. each day at the park office and will remain open during the derby times of 9:00 a.m. to 3:30 p.m. both days. \$5 per person derby entrance fee for both days.

Certain trout are tagged and can be redeemed for prize money! There will be four categories of tags identified by color ranging in prize money from \$10 to \$100. To redeem tagged trout for prize money, the trout **MUST** still have the tag intact when taken to derby officials for verification.

All anglers 12 years of age and older **MUST** have a valid New Mexico fishing license.

Oasis State Park is located 6.5 miles north of Portales via NM 467. You’ll find this true oasis just north of Portales, New Mexico. Oasis State Park is set among cottonwood trees, shifting sand dunes, and a small fishing lake. Although fishing is the park’s main draw, it also has several hiking trails, a peaceful and shady campground, and an abundance of birds.
