State Parks Updates in Accordance with Public Health Order

Santa Fe – Today the Energy, Minerals and Natural Resources Department’s (EMNRD) State Parks Division announces that overnight use and campgrounds will remain closed through September 18th. Visitors with overnight camping reservations through September 18th will be issued a refund. Group shelters remain closed and all events are canceled.

State Parks provides the additional guidance is still in place:

Limitations on Visitors:

- Anyone coming to New Mexico from out of state must self-quarantine for 14 days.
- Only New Mexico residents may enter New Mexico State Parks.
- Visitors must show either a valid New Mexico license plate, a New Mexico driver’s license or ID card, a New Mexico vehicle registration, a federal document attesting to residency, or a military ID to be admitted to a State Park.

Hours of Operation:

- 31 State Parks remain open for day-use only. Please “know before you go” and [check our website](#) for current hours, as many State Parks are currently operating under reduced hours and days of operation.
- All 31 State Parks will be open for Labor Day, Monday, September 7.
- Overnight camping remains closed.

Additional guidance:

- Wearing a mask or cloth face covering is mandatory in public settings except when eating, drinking, or swimming or unless a healthcare provider instructs otherwise, and violators could face citations and \$100 fines for not complying voluntarily.
- Keep groups to 10 people or less
- Bring hand sanitizer and additional personal protective equipment
- Maintain social distance of 6 feet or more while recreating
- Parks are open for day-use only
- Visitor centers and shower facilities remain closed
- No campfires or open fires
- Water access and trails will be open, but access may be limited to adhere to social distancing requirements
- No group shelter use or large organized events, in accordance with continued restrictions on mass gatherings
- Playgrounds closed
- To limit interactions, please use exact change when paying fees
- Limited concession operations
- Recreate responsibly and pack out all trash
- Follow all safety guidelines when boating or swimming

All current park information can be found on park webpages and on the FAQ page at www.nmparks.com.

###

The Energy, Minerals and Natural Resources Department provides resource protection and renewable energy resource development services to the public and other state agencies.
