6th Quarterly Report

Unless otherwise noted, all activities in this section were performed by:
Eletha Trujillo, W.I.P.P. Program Coordinator, EMNRD: Energy Conservation
and Management | Eletha.Trujillo@state.nm.us | 505-476-3224

October

- Received, reviewed, and approved monthly reimbursement reports under DE-EM0004167 from JPA State partner agencies for processing;
- Compiled data and completed Quarterly Progress Report to the DOE;
- Compiled data and completed Quarterly Financial Report to the DOE;
- Attended the monthly TAG conference call;
- Conducted conference call between New Mexico and Colorado regarding update of Section 1 of the WIPP Transportation Safety Plan Implementation Guide;
- Participated in the Energy Roadmap meeting held in Albuquerque;
- Attended the High Level Radioactive Waste Committee meeting held in San Diego, CA (general fund) where we discussed the Land Withdrawal Act and DOE changes to high level waste definition that may end up at the WIPP;
- Attended a WIPPTREX summary meeting at DHSEM;
- Worked with auditors on SFY17 funding;
- Finalized payments to Eddy County on Settlement Agreement monies and closed out MOA;
- Worked with state agencies on SHARE Financials upgrade, training, and delays;
- Completed mandatory SHARE financials training;
- Prepared presentations for the November Legislative Radioactive and Hazardous Materials Committee meeting;
- Worked with SFMD to resolve billing issues from prior years,
 - Sent requirements for reimbursement,
 - Awaiting call back to determine if we will proceed with payments process;
- Participated in the Communications AHWG conference call;
- Sent another notification to DPS regarding the unauthorized use of state vehicle as take home,
 - Received response from Grants Manager notifying EMNRD that DPS will reimburse the entire fuel expense;
- Worked with WCS to coordinate WIPP shipments and NMSP-CVE observation;
- Received Time and Effort tracking spreadsheet from DPS Grant Manager for use at EMNRD;
- Coordinated with LANL and DOE-CBFO to meet in preparation for shipments from Los Alamos National Laboratories;
- Completed travel paperwork for WGA TAG meeting in Utah;

- Coordinated with Pojoaque Pueblo on the DOE-CBFO Roadshow;
- Received letter from DOE requesting a change to the designated Primary and Alternate Routes to the WIPP for TRU waste shipments,
 - Sent notification to NMDOT,
 - Included items for the November agenda;
- Sent notification to DHSEM to move the next WIPPTREX to Lea County as Chavez/Roswell County has not responded to email/calls from the WIPP Coordinator,
 - Preparedness Bureau at DHSEM insists on Chavez County WIPPTREX,
 - Scheduled a meeting for November with Bureau Chief, WIPP Coordinator, Training/Exercise Manager to address EMNRD concerns;
- Worked with Colorado to complete packets for WGA TAG meeting in Utah;
- Send NMSP-CVE Captain documents regarding Section 1 of the WIPP Transportation Plan Implementation Guide and the TRU Waste Transportation Plan for review;
- Monitored shipments;
- Updated website.

November

- Attended the monthly TAG conference call;
- Received, reviewed, and approved monthly reimbursement reports under DE-EM0004167 from JPA State partner agencies for processing;
- Facilitated Monthly Work Group meeting for WIPP Working Group at EMNRD;
- Conducted a site visit to LANL area with NMSP-CVE in preparation of shipments;
- Attended meeting in Espanola at the hospital with DOH and SFMD Coordinators;
- Presented update to the Legislative Radioactive and Hazardous Materials Committee regarding WIPP and WIEB;
- Traveled to Salt Lake City, Utah to attend the WGA TAG meeting
- Participated in the NTSF Communications AHWG conference call;
- Attended the State Transportation Commission meeting in Deming regarding the WIPP Primary and Alternate Route change request;
- Attended the Parts and Systems course facilitated by NMSP-CVE staff in Albuquerque, NM;
- Provided information the Cabinet Secretary for the LFC hearing;
- Coordinated meeting in Roswell for WIPPTREX with WIPP Working Group;
- Coordinated with LANL and NMSP-CVE to schedule an inspector at the LANL for a Point of Origin inspection;
- Send a reminder email to SFMD regarding Torrance County payment for JPA monies and deadline for expected delivery of completed tasks;
- Reviewed budget balances in SHARE for budget analysis;
- Worked on Annual Report updates;
- Reviewed documents from the NTSF AHWG and conference call minutes;
- Sent information as requested to NMSP-CVE Captain regarding state statutes WIPP requirements and responsibilities;

- Provided information to state partner agencies regarding eligible expenses on the Cooperative Agreement;
- Attended meeting with DHSEM staff regarding WIPPTREX,
 - Bureau Chief requested both Chavez and Lea County conduct an exercise, staggered dates,
 - DHSEM is taking the lead on the WIPPTREX development;
- DPS WIPP Coordinator resigned,
 - Worked with NMSP staff to review position responsibilities,
 - Requested equipment inventory;
- Monitored shipments;
- Updated website.

December

- Attended the monthly TAG conference call;
- Facilitated the monthly WIPP Working Group meeting;
- Received, reviewed, and completed monthly reimbursements from State partner agencies,
 - Reviewed contract balances;
- Received a request to schedule NMSP Cabinet Secretary, Chief of Police, and other staff for a tour of the WIPP site,
 - Working on available dates,
 - Updated NMSP-CVE Captain;
- Received notice from DHSEM Coordinator that DOE-CBFO Institutional Affairs Manager authorized him to conduct activities on non-designated WIPP route (Gallup/Grants),
 - Requested clarification from DOE-CBFO regarding route designation (open/closed/maintained) to provide justification in folder for auditors review upon request,
 - No response from DOE-CBFO to date;
- Reached out to DOE-CBFO regarding ERO radiation training,
 - Received response with point of contact,
 - Sent email to NMSP-ERO Captain and DOE-CBFO trainer;
- Notified NMED of funds balance from Settlement Agreement,
 - Contacted DOE-CBFO to determine what if anything will be done with the fund balance;
- Reviewed the NTSF Communications AHWG DRAFT Workplan;
- Send FY19 Budget packets to each JPA agency to begin developing their budgets with a due date to me on March 12, 2018;
- Attended the Part B Course facilitated by NMSP-CVE personnel;
- Attended the Energy Roadmap meeting in Albuquerque;
- Attended the Hospital Decon training in Santa Fe;
- Facilitated a WIPP Workgroup meeting to discuss the WIPPTREX meeting that was held in Roswell,
 - DHSEM Coordinator gave notification of his upcoming resignation from DHSEM,

- Requested a meeting with his management to address the WIPPTREX assignment and other responsibilities he has;
- Reviewed the WIPPTREX objectives document created by DHSEM and approved for distribution to the group;
- Reviewed the existing waiver of en route inspections from NMSP Chief to ensure it continues to meet the DOE objectives and NMDOT State Transportation Commission requirements for the requested primary route change;
- Received a request from NMSP-CVE Captain Langehennig to provide all legal references for the WIPP program to include the WIPP Working Group and roles of the WIPP Coordinators in each agency;
 - Sent links to state statute creating the WIPP Task Force and the NM legislative RHMC;
- Sent current attachments of PIG to WGA Policy Advisor for upload;
- Received quote from vendor for Years of Service plaque;
- Sent WIPP hosted breakfast invite;
- Monitored shipments;
- Updated website.

EMNRD Training Summary for October – December:

Course	Total Students	Training Hours	Course Hours
North American Standard Part A Parts and Systems	1	40	40
North American Standard Part B	1	40	40

Department of Homeland Security & Emergency Management

Project Status Report

Unless otherwise noted, all activities in this section were performed by: Don Shainin, Coordinator for Emergency Response Training (non-medical) | don.shainin @state.nm.us | 505-476-9628

October

- Work on quarterly reimbursement packet for DHSEM WIPP.
- Attended WIPP working group meeting
- Attended a Sub Grant meeting here at DHSEM for Roswell WIPPTREX exercise.
- Replace Santa Fe Fire department radiation meters.
- Work on creating Roswell EM sub grant for their WIPPTREX exercise.
- Exchanged Santa Fe County fire radiation meters.
- Received recalibrated radiation meters from Qal-Tek

November

- Work on monthly reimbursement packet.
- Sent out Ludlum radiation meters for recalibration.
- Received Rad eyes that were recalibrated.
- Attended WIPP road show in Pojoaque.
- Out on annual leave.
- Meeting at DHSEM on Roswell WIPPTREX
- Work on Roswell WIPPTREX meeting agenda.
- Update DHSEM radiation meter inventory.
- Replaced damaged radiation meter from Santa Fe fire department.

December

- Work on monthly reimbursement packet.
- Attended WIPP working group meeting.
- Work on documents for Roswell WIPPTREX.
- Travel to Roswell for WIPPTREX meeting.
- Work on objectives template for Roswell WIPPTREX
- Radiation meter instrument refresher for 6 Fire service personnel

DHSEM Training Summary for October - December, 2017 totals:

Course Name	Total Students	Training Hours	Course Hours
Radiation meter refresher	6 Students	12	2

TOTAL STUDENTS: 6

TOTAL TRAINING HOURS: 12

Public Regulation Commission
State Fire Marshal's Office, WIPP Fire Service Support Bureau

Project Status Report

Unless otherwise noted, all activities in this section were performed by: Carrie DeAguero, Coordinator of WIPP Route Fire Department Training and Joint Power Agreements (JPA) | carrie.deaguero@state.nm.us | 505-469-8750

October

- Attended WIPP working group meeting.
- Traveled to Raton Fire Department, Colfax County Fire, San Miguel County Fire, Las Vegas Fire Department, Roswell Fire Department, Chaves County Fire, Artesia Fire Department, Hobbs Fire Department, Eddy County and Carlsbad Fire Department for delivery of WIPP JPA monies.
- Conducted meeting with Torrance County Treasurer.
- Also, conducted meeting Vaughn Fire Chief and town Mayor.
- Met with Lea County Fire Marshal.
- The following course was provided in October for fire personnel:
 - Hazardous Materials Awareness and Operations 40 hour course with International Fire Service Accreditation Congress (IFAC) Certification
 - Hazardous Materials Technician 40 hour course with International Fire Service Accreditation Congress (IFAC) Certification

10/1/2017	Hazardous Material: Awareness & Operations Cert	5 students	200 hrs
10/6/2017	Hazardous Material: Awareness & Operations Cert	16 students	640 hrs
10/7/2017	Hazardous Material: Awareness & Operations Cert	1 students	40 hrs
10/13/2017	Hazardous Material: Awareness & Operations Cert	11 students	440 hrs
10/23/2017	Hazardous Material: Awareness & Operations Cert	6 students	240 hrs
10/23/2017	Hazardous Material Technician	17 students	680 hrs
10/28/2017	Hazardous Material: Awareness & Operations Cert	13 students	520 hrs
10/30/2017	Hazardous Material: Technician	23 students	920 hrs

November

- Assisted with Donning and Doffing training in Roswell.
- Traveled to Socorro for HazMat class at Fire Fighter Training Academy.
- Attended WIPP Working Group meeting.

- Compiled inspection and investigation reports for Public Regulation Commission.
- Attended inspection and test of Decontamination Equipment at Espanola Hospital.
- The following course was provided in August for fire personnel:
 - Hazardous Materials Awareness and Operations 40 hour course with International Fire Service Accreditation Congress (IFAC) Certification:
 - Hazardous Materials Chemistry 40 hour course with International Fire Service Accreditation Congress (IFAC) Certification

11/01/2017	Hazardous Material: Awareness & Operations Cert	24 students 960 hrs
11/13/2017	Hazardous Material: Awareness & Operations Cert	17 students 680 hrs

December

- Traveled to Raton Fire Department, Colfax County Fire, City of Las Vegas FD and San Miguel County Fire for meeting.
- Attended WIPPTREX meeting in Roswell.
- Conducted meeting with Artesia Fire Department and Carlsbad Fire Department.
- Attended WIPP Working Group meeting.
- Corresponded with Santa Fe County Fire and Torrance County Fire. Approval of expenditure for Artesia Fire and Eddy County Fire.
- The following course was provided in September for fire personnel:
 - Hazardous Materials Awareness and Operations 40 hour course with International Fire Service Accreditation Congress (IFAC) Certification

12/02/2017	Hazardous Material: Awareness & Operations Cert	7 students 280 hrs
12/15/2017	Hazardous Material: Awareness & Operations Cert	24 students 960 hrs

SFMD Training Summary for October - December, 2017 totals:

Course Name	Total Students	Training Hours	Course Hours
Haz-Mat A/O	124 students	4,960 hours	40
HazMat Chemistry	40 students	1,600 hours	40

TOTAL STUDENTS: 164

TOTAL TRAINING HOURS: 6,560

**Department of Public Safety
Commercial Vehicle Enforcement & State Police Special Operations**

Project Status Report

Unless otherwise noted, activities in this section were performed by: Dolores Baca, WIPP Coordinator for DPS; Captain Cary Langehennig and Lieutenant Joseph Romero, Quality Review and Assurance of WIPP Shipment Inspections; Jessica Gibson, Grant Management Supervisor

En-route inspections (both radiological & mechanical, CVSA Level VI) have been conducted for all WIPP shipments entering the State of New Mexico during the quarter. There was one Point of Origin inspection conducted during the period of October – December 2017 in Los Alamos National Laboratories.

Idaho National Engineering and Environmental Laboratory (INEEL) – 39
Savannah River Site (SRS) – 0
Oak Ridge National Laboratory (ORNL) – 11
Waste Control Specialists (Andrews, TX) – 0
Los Alamos National Laboratories (LANL) - 1

I reviewed the number and level of inspections performed on WIPP shipments to determine the percentage of Level VI inspections for the quarter. During the *October through December 2017* quarter 100% of the shipments were Level VI with no violations reported.

October

- WIPP Coordinator D. Baca completed project and budget set up; completed applicable journal entries and continued training under new supervision. Time and efforts are available for review.
- Captain Langehennig and Lieutenant Romero attended meeting with EMNRD.
- Restructuring of WIPP personnel.
- Conference call with EMNRD and Colorado (Co-Leads in regard to Section 1 in the Program Implementation Guide “PIG”). Meeting was to discuss the role change as New Mexico has become the HOST state for the contracted WIPP carrier within the PIG.
- Meeting with Compliance Review to discuss their ability to conduct a “CR” on CAST in Carlsbad NM, thus meeting the requirements of the PIG.
- Level 6 class was conducted to certify Officers and Transportation Inspectors in Albuquerque NM. This class had 12 DPS employees as well as out of state enforcement personnel.
- HRCQ shipments continue to be active and continue to be inspected by level certified 6 personnel.
- HRCQ shipments will no longer be authorized to be conducted utilizing WIPP Grant OT funds after Fiscal Year 2018.

- Captain Langehennig reviews Level 6 inspections for quality assurance.
- All 21 WIPP shipments which entered the state this month were inspected by Level 6 certified personnel.

November

- WIPP Coordinator D. Baca completed the monthly WIPP reimbursement bill; continued grant management training under new supervision. Time and efforts are available for review. Ms. Baca resigned effective November 17, 2017.
- Level 6 class was concluded in the first week of November. Eight (8) DPS employees successfully obtain their Level 6 certifications.
- Captain Langehennig attended the Western Governors Association, WIPP Transportation Technical Advisory Group meeting in Salt Lake City, UT.
- Meetings held with finance (Ms. Gibson) to discuss the rolls of what budget and uniform will be doing within the WIPP program.
- HRCQ shipments have continued to be active and continue to be inspected by level 6 personal.
- Captain Langehennig reviews Level 6 inspections for quality assurance.
- All 18 WIPP shipments which entered the state this month were inspected by Level 6 certified personnel.
- Meeting at Los Alamos National Lab (LANL) with DOE Officials regarding access to the LANL property. New LANL security measures require pre-issued identification badges be obtained by all DPS employees who will be conducting inspections at the LANL site.
- LANL had originally planned to begin shipping again this month but has since delayed all shipments until further notice. Only one shipment was made from LANL to the WIPP site since reopening.

December

- WIPP Coordinator position is still vacant. Grant Management Supervisor J. Gibson completed all applicable financial tasks and submitted the monthly billing.
- Lt. Romero and Ms. Gibson attended monthly meeting at EMNRD.
- Lt. Romero attended the initial WIPPTREX meeting in Roswell NM. Meeting was to begin the planning stages of an incident scenario regarding a WIPP shipment mock scenario to test and train for preparedness.
- Meeting with finance (Ms. Gibson) to discuss the rolls of what budget and uniform will be doing within the WIPP program.
- HRCQ shipments have continued to be active and continue to be inspected by level 6 personal.
- Captain Langehennig reviews Level 6 inspections for quality assurance.
- All 12 WIPP shipments which entered the state this month were inspected by Level 6 certified personnel.

NMSP-CVE Training Summary October - December

<u>Course</u>	<u>Trng Hrs</u>	<u>Stdnts</u>	<u>Course Hrs</u>
CVSA Level VI Certification	480	12	40

Total Students: 12

Total Training Hours: 480

NMSP-ERO Training Summary for August - December

Total Training Hours: 560

Department of Health Epidemiology and Response Division, Bureau of Health Emergency Management

Project Status Report

Unless otherwise noted, all activities in this section were performed by: Tim Yackey, WIPP EMS Medical Preparedness Coordinator | tim.yackey@state.nm.us | 505-476-8251

October

- Attended the Department of Health All-Staff Meeting in Santa Fe, NM
- Attended the weekly Health Emergency Management Bureau Leadership Meetings in Santa Fe, NM
- Reviewed with Bureau Finance Manager and Grants Management Director, prepared and attempted to submit billing (for 1st quarter of FY'2018) to EMNRD WIPP Coordinator. Due to the SHARE Update and problems associated with the SHARE Upgrade, we were unable to submit an accurate billing to EMNRD. Will resubmit October FY'18 Billing with the November FY'18 Billing.
- Prepared and submitted quarterly report with incomplete training records to EMNRD WIPP Coordinator. Working to recover training records lost due to "computer crash in August 2017.
- Conducted the "Donning and Doffing" Workshop at the Guadalupe County Hospital in Santa Rosa, NM.
- Conducted the "Decontamination and PPE" Workshop at the Lovelace Regional Hospital in Roswell, NM
- Met with the Eastern NM Medical Center about WIPP Preparedness Equipment, PPE and training needs.
- Attended the Division All-Staff Meeting in Santa Fe, NM
- Attended the Bureau of Health Emergency Management All-Staff Meeting in Santa Fe, NM.
- Attended the WIPP Working Group Meeting in Santa Fe, NM
- Conducted the Hospital Preparedness and Decontamination Set-up Drill at the Espanola Hospital. Local Fire and EMS also participated along with other WIPP Coordinators. Condition of equipment checked and an opportunity to "meet and greet" was utilized during this activity.
- Approximately 27 healthcare personnel were trained in WIPP Hazardous Materials Hospital-Radiological / HAZMAT Decontamination Courses this month.

November

- Attended the monthly all-staff division meeting in Santa Fe, NM

- Attended the Monthly WIPP Working Group Meeting with the Energy Minerals Natural Resources Division(EMNRD) WIPP Coordinator
- Billing submitted to EMNRD by our Bureau's Finance Manager for 1st Quarter and October for FY'2018.
- Attended the Epidemiology & Response Division All-Staff meeting
- Maintenance/cleaning performed on Powered Air-Purifying Respirators, batteries and associated training equipment.
- Attended the weekly Health Emergency Management Bureau Leadership Meetings in Santa Fe, NM
- Regular Truck (Ford F-350) used for travel still out of service, using another truck to transport training equipment and supplies.
- Completed Fall Training Schedule for the Decontamination & PPE Workshop & Donning and Doffing Workshop
- Conducted the "Decontamination and PPE" Workshops at the Eastern NM Medical Center in Roswell, at the University of New Mexico Hospital in ABQ, at the Nor-Lea General Hospital in Lovington, at the Lea Regional Medical Center in Hobbs and at the CHRISTUS Saint Vincent Regional Medical Center in Santa Fe, NM
- Conducted a "Donning and Doffing" review workshop at the Eastern NM Medical Center in Roswell, NM
- Attended the Division All-staff meeting in Santa Fe, NM
- Approximately 60 healthcare personnel were trained in WIPP Hazardous Materials Hospital-Radiological / HAZMAT Decontamination Courses this month.

December

- Attended the Bureau of Health Emergency Management Staff Meeting
- Attended the Epidemiology & Response Division All-Staff meeting
- Met with the Deputy Division Director about Status of Program
- The Decontamination and PPE Workshop was conducted at the Bureau of Health Emergency Management as part of a mini-conference. Attendance included EMT's, Epidemiologists, Nurses and others from area's in North Central NM.
- Required Maintenance, inspections and cleaning performed on decontamination training equipment again this month
- Truck is back in Service after major repair.
- Attended the WIPP Working Group Meeting in Santa Fe, NM
- Training Scheduled for the Carlsbad Medical Center in early December 2017 was canceled by CMC due to severe flu outbreak in SE New Mexico!
- Approximately 25 healthcare personnel were trained in WIPP Hazardous Materials Hospital-Radiological / HAZMAT Decontamination Courses this month.

DOH Training Summary for October - December:

Course/Exercise	Trng Hrs	Stdnts	Course Hours
Hospital Decon and PPE Workshop	4.25 hours	77 students	327.25 hrs
Donning/Doffing Workshop	2 hours	31 students	62 hrs

Total Students: 108

Total Training Hours: 389.25 hours

Environment Department Radiation Control Bureau

Project Status Report

Unless otherwise noted, all activities in this section were performed by:
Bobby Lopez, Coordinator of Radiation Monitoring | bobby.lopez@state.nm.us
| 505-476-8609

October

- Four (4) WIPP Hospital training seminars were provided to hospital emergency personnel. They were: Christus/St. Vincent Hospital (Santa Fe), Presbyterian Hospital (Española), Guadalupe County Hospital (Santa Rosa), and Lovelace Hospital (Roswell). Attendees were provided continuing education credits from the Nursing Association and some from the Association of Radiologic Technologist (ASRT).
- Attended monthly WIPP Task Force Meeting to discuss work plan initiatives and program metrics
- Briefed Radiation Control Bureau staff on WIPP transportation emergency response and preparedness activities
- All documentation congregated from the four-hospital trainings were packaged and delivered to RCB's the data management FTE for compilation in the design of an annual report
- Dosimetry oversight of the RCB's WIPP dosimetry program (July thru September 2017) continues for evaluation of occupational exposures, especially from Department of Public Safety's CVSA Level 6 inspections. The other focus was on administrative accountability.

November

- Participated in the decontamination exercise that involved hospital personnel from the Espanola Presbyterian Hospital and the City of Espanola's Hazardous Materials Response Team. The principle objective was to begin the formulation, evaluation, and resource capabilities from these two vital entities.
- Two (4) WIPP Hospital training seminars were provided to hospital emergency personnel. They were: University of New Mexico, NORLEA Hospital (Lovington), Lea Regional Hospital (Hobbs), and Eastern New Mexico Medical Center (Roswell). Continuing educations were provided.
- All documentation congregated from the four-hospital trainings were packaged and delivered to RCB's the data management FTE for compilation in the design of an annual report.
- Attended RCB and WIPP working group meetings

December

- Assisted and participated in the Department of Health's sponsored hazardous materials training course that was presented to Santa Fe County/City emergency response entities, hospital personnel, and state employees having programmatic activities in emergency management. The WIPP Working Group's hospital training module was utilized to present the classroom training and hands-on exercise drills.

NMED Training Summary for October - December:

See NM DOH reporting for details.

Glossary

AFD - Albuquerque Fire Department

CBFO – Carlsbad Field Office

CEU – Continuing Education Unit

CFR - Code of Federal Regulations

CMB – Corrugated Metal Boxes

CST - Civil Support Team

CTOS - Counter Terrorism Operations Support

CVE – Commercial Vehicle Enforcement

CVSA - Commercial Vehicle Safety Alliance

DOE – Department of Energy

DHS - Department of Homeland Security

DHSEM - Department of Homeland Security Emergency Management

DNDO - Domestic Nuclear Detection Office

DOT – Department of Transportation

Supplemental Information
Department of Public Safety Motor Transportation Division
OOS-VIO Inspection Data
October 1, 2017 – December 31, 2017

Date	Inspection Form #	Description of Violation/Out-of Service	INSP	DRV	VEH	LVI	Shipmts	NAS	NAS	CastSp	Inter- Vent
			LVL	VIO	VIO	OOS	involved	VIO	OOS		

Legend Key:

DRV VIO = Driver violations detected

VEH VIO = Vehicle violations detected

OOS LVI - Out-Of-Service as per the CVSA Level VI Criteria Only

Shipmts involved = Number of shipments which had either a driver or vehicle violation

NAS VIO = Number of Federal Motor Carrier Safety Regulation Violations as per the North American Standard (applies to all CMVs)

NAS OOS = Number of Out-Of-Service Violations as per the North American Standard (applies to all CMVs)

CAST = Number of shipments found with violations when CAST Transportation was carrier.

Tri-State = Number of shipments found with violations when Tri- State Motor Transit was carrier

Other = R & R Trucking, [Hittman Transport Services, Inc.](#), & Ontario LTD.

2nd Quarter: NO VIOLATIONS AND NO OUT OF SERVICE TO REPORT THIS QUARTER FOR CAST.

(Last shipment for Visionary Solutions: 7/14/2017)
